

MELTING MASK

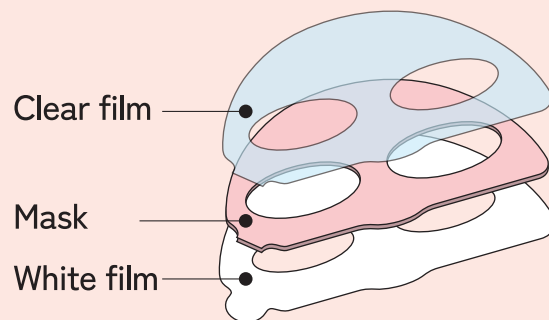

Gel Sheet Mask with 100% Beauty Serum Ingredients

Superior Moisturizing Experience

MELTING MASK

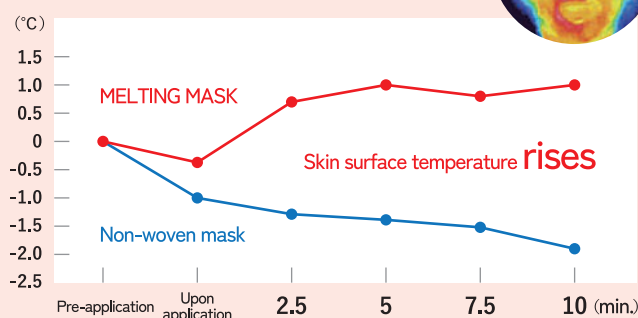

100% Beauty Serum Ingredients

Warming Mask can be Melt

1 Warms the skin to promote penetration

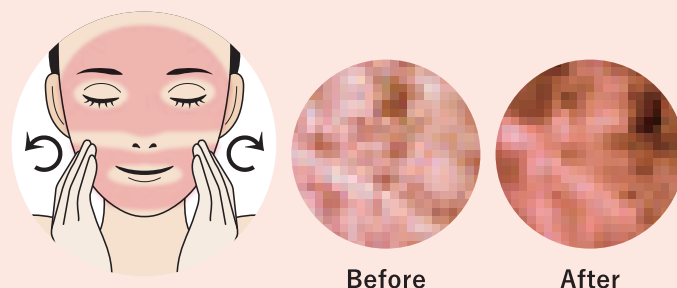

Temperature change of skin surface Thermography during application

Warmth by mask raises skin temperature. Penetration of beauty ingredients is improved.

2 Massaging promotes blood circulation

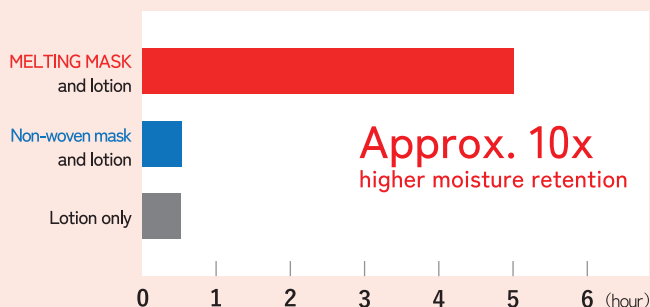

Changes in blood flow when massaging while melting the mask

Massaging with the mask on the skin can promote blood circulation and can lead to radiant skin.

3 Keeps moisturizing

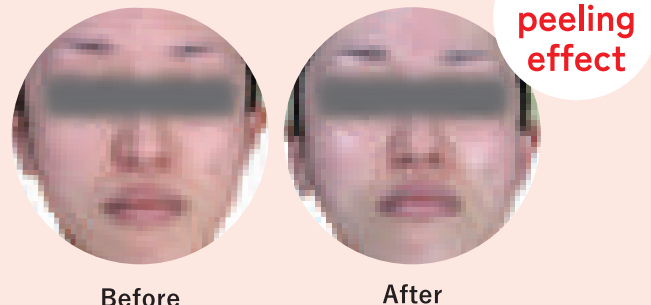

Comparison of moisture retention

High-molecule hyaluronic acid forms a veil on the skin surface, sealing in beauty ingredients to keep moisturizing.

4 Enhances skin clarity

Changes in skin tone

The soft peeling effect by AHA, etc., gently removes dead skin cells and improves clarity*

*Clarity refers to moisturized and radiant skin with refined texture.
